

VBCOA Regions

VBCOA is comprised of eight regions. Each region has a local association, an elected body of officers and committees. The chairperson of each region serves as the region's representative on the VBCOA Board of Directors. Each region meets periodically throughout the year. This page contains basic information on the regions, including the jurisdictions that participate, meeting locations, chairs, and contact information. VBCOA recognizes the vital of the regions through its Region of the Year Awards Program.

VBCOA Region of the Year Program

In 2008, VBCOA initiated a Region of the Year awards program, in order to recognize the region that demonstrated exemplary performance in promoting the goals and mission of the VBCOA in preceding year. The winning regions are distinguished by their professionalism, participation in ICC/VBCOA, public support for building and fire codes, building safety and the fields of construction and code administration.
