**SUBJECT: VBCOA Building Safety Month Events**

The Building Safety Month AdHoc Committee continues to plan for the Main Event scheduled for May the 1<sup>st</sup> at City Hall, in Old Town Alexandria. This plan outlines a BSM Kick-Off Event at the City of Alexandria on May the 1<sup>st</sup>. In addition to this main event, during the four remaining weeks of May, additional public outreach events will include staffing informational booths at Home Depots and farmer's markets throughout Northern Virginia.

On March 19, during the Region V, Monthly Business Meeting, a motion was made by the Building Safety Month Chair, requesting financial support in the amount of \$600.00 to aid in educational and operational support of this Kick-Off Event. The motion was unanimously approved by membership.

It should be noted, the Virginia Plumbing and Mechanical Inspectors Association Chair Skip Harper, has demonstrated his associations support of Building Safety Month in pledging a donation of \$500.00 to aid in educational and operational costs associated with these public outreach efforts.

The Building Safety Month Committee would like to express our appreciation to the Executive Board, especially, President Sean Farrell, and the Region V Chair, Steve Higginbotham for their support in moving this endeavor forward. We also wish to thank the entire VBCOA membership in our collective efforts to accomplish this public outreach goal.

Thank you.

Pete Mensinger  
Chair, Building Safety Month AdHoc Committee
