Hello Fellow Fire Code Officials,

The Virginia State Fire Marshal's Office in cooperation with Virginia Department of Fire Programs and Virginia Fire Prevention Association would like to invite you to attend the First Annual Fire Code Officials Summit. As Fire Code Officials we are tasked specifically with reducing risk in our communities through pro-active enforcement of the Virginia Statewide Fire Prevention Code.

At this first meeting we will focus the morning session on updating everyone on the Department of Housing and Community Development's, re-write of the Virginia Statewide Fire Prevention Code. The afternoon session will include an update and discussion on Community Risk Reduction efforts in the Commonwealth and a discussion on improvements to the Fire Inspector 1031 Certification program and continuing education training requirements.

Please join us at the first Annual Fire Code Officials' Summit at the Henrico Training Center, 7701 E Parham Rd, Richmond, VA 23294, Room 2031 (2<sup>nd</sup> floor) on Thursday, July 14, 2016, from 9 am to 3 pm.
