**VBCOA Mid-Year Meeting, Charlottesville, Virginia**

Welcome everyone to a great opportunity to network and work towards our strategic goals. We have such a dedicated network of engaged leaders. We hope you enjoy the mid-year conference and the training package we have been fortunate enough to assemble for you. Once again this year, everyone has worked diligently to prepare for this meeting. We want to thank the Board of Directors and Mary Jo Fields as she has worked tirelessly to make this event another great one. Special thanks to DHCD, especially Cindy Davis, for the opportunity to bring VBCOA's representation to the Home and Garden Show in Richmond this past spring. Paula Johnson and Jimmy Moss were instrumental in setting up the booth. We always welcome the opportunity to bring our message to the public we serve.
