WEDNESDAY December 18th AT 11:00 am
Annual Region VII Luncheon

The Region VII Annual Luncheon meeting was called to order by Region Chair Paul Messplay at 11:05am at Nick's Restaurant located at 3483 Lewis B Puller Memorial Hwy, Soluda VA 23149. The agenda was amended to include a DHCD report and TRB interpretation by Travis Luter and the agenda received approval from the membership. The October meeting minutes received approval from the membership. The presentation by James Hilliard with Sharp Energy did not take place as scheduled. There was no old business to discuss and no committee reports to discuss.

The new business discussed included proposals for a new region secretary. This is currently a vacancy that needs to be filled. The membership discussed participation in VBCOA Committees and the current committee participation is attached to these meeting minutes. The membership discussed potential training opportunities and areas of focus for 2020. Areas of focus for 2020 training include floodplain management, DCR training, manufactured housing installation, how to navigate the appeals board, general masonry training, and code change process training.

The region discussed the prevalence of duct blaster training among localities and discussed the permitting requirements for electrical panel changes. .

Mike Eutsey provided an overview of the agenda for the VBCOA mid-year conference and notified the region of mandatory code update training with respect to the energy code.

The meeting adjourned at 12:01pm.
