VBCOA Regions

VBCOA is comprised of eight regions. Each region has a local association, an elected body of officers and committees. The chairperson of each region serves as the region’s representative on the VBCOA Board of Directors. Each region meets periodically throughout the year. This page contains basic information on the regions, including the jurisdictions that participate, meeting locations, chairs, and contact information. VBCOA recognizes the vital of the regions through its Region of the Year Awards Program.
